THE BRIDGE COUNSELLING SERVICE Coffee Morning Book, Cake & Bring and Buy Stalls

Wed 21st Aug – 10.30am – 1pm

The Bridge Counselling Service is a Christian counselling service and Christian charity which meets the counselling needs of many people in Worcester and the county. It is based in the Angel Centre in Worcester. The counsellors are all fully trained, professional people passionate about the benefits of counselling who give their services voluntarily one day a week to the Bridge. Many have their own private practices. We don't want anyone, who needs it, to miss out on counselling because of their financial situation so we work on a donation basis. We ask clients to make a donation they can afford. Please do your best to support this great work. *Lyn Morton*

Homily for the Feast of the Assumption

Mary is attentive to the hopes of humankind and tells people their hope is certain. If she, a child of this earth, has been assumed by God and placed on a throne in heaven, then it is possible for all human flesh to live with this same hope. Therefore, as we continue our pilgrimage here on earth, may we be firm in our resolve and not grow discouraged in the midst of persecutions...

Mary, assumed body and soul into heaven, is proclaiming, like Saint Paul, that "the last enemy to be destroyed is death" (1Cor 15:26) If death is destroyed by Mary's victorious assumption into heaven, then in all of us the hope remains alive, even though death may seem to extinguish our life, because our life is sustained by the spirit of God who has made us immortal and will make us rise up from our graves.

St Oscar Romero, 1977

KERALAN SUPPER NIGHT

Friday 16th August – 6pm till 8pm in the
Parish Centre

Guaranteed to be an enjoyable evening.
Tickets £10 each in aid of Parish Funds
on sale this weekend and available on the
door.

NATIONAL CITIZEN SCHEME

Many thanks to the youngsters (aged 15-17)
led by Emily and Charlotte who have
brightened up the entrance to the Parish
Office with their colourful planting. I hope
you've had a chance to look at the work they
have done. It was part of a 4-week
programme which saw them developing their
skills as well as contributing to their local
community. They held fundraising events in
order to raise money to buy the plants they
have used in our gardens.
Their aim is to make the world a fairer, kinder,
more compassionate place and cultivate
stronger, more integrated communities by
fostering understanding between neighbours
from differing backgrounds.
